How many roads must a man walk down
Before you can call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
How many times can a cannonballs fly
Before they're forever banned?

How many years can a mountain exist
Before it's washed to the sea?
And how many years can some people exist
Before they're allowed to be free?
And how many times can a man turn his head
Pretending he just doesn't see?

Before he can see the sky?
How many ears must one man have
Before he can hear people cry?
How many deaths will it take 'til he knows
That too many people have died?
